OFFICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 10th August 1949.

Claim against Less Fils de Maurices Daclos, 8 Place Vendome Paris.

Attention is invited to Article 5 of the Debt Settlement Agreement concluded with France, which reads as follows :—

"ARTICLE 5 COMMERCIAL DEBTS, INTERESTS AND OTHER MONEYS OF A LIKE NATURE DUE UNDER CONTRACTS.

(*a*) Commercial debts, interests and other moneys of a like nature actually held by the Custodian of Enemy Property for the Dominion of India (hereinafter referred to as "the Custodian") and due to French persons shall be transferred to the French Government with a view to the satisfaction of the claims of the creditors. In the case of obligations expressed in France, the payment shall be made in francs at the rate of exchange current at the date when the transfer is made.

(*b*) Commercial debts, interests and other moneys of a like nature due to Indian persons shall be settled direct between the French persons who are debtors and their creditors in the Dominion of India, provided that where any amount on account of debts, interests and other moneys of a like nature due to Indian persons had been deposited by the French persons who are debtors with French Office des Changes or any other similar organisation, the amount so deposited will be transferred by the French Government to the Government of India in the currency in which the debts were expressed with a view to their satisfaction in part or whole as the case may be.

(*c*) The Government of the French Republic recognises that French persons who are debtors to Indian persons in respect of moneys of the kinds dealt with in this Article remain liable to their creditors until the debts are fully discharged in accordance with the terms of the appropriate contracts. In this connection the French Government will assist Indian persons who are creditors to trace and identify their debtors and facilitate the enforcement of the claims of the creditors against the original debtors, their heirs and successors".

Accordingly, all Indian claims against persons and firms resident in France have to be settled by direct negotiations between the parties concerned. They should, therefore, first take up the question of the settlement of their claim direct with their debtors in France. In case they fail to get satisfaction in this manner the matter may be referred to the Government of India, Ministry of Commerce, New Delhi, with full facts of the case together with the copies of all correspondence passed between their French debtors and themselves under advice to the office of the Custodian of Enemy Property, Caltex House, Ballard Road, Bombay.

SUPPLY OF KEROSENE OIL.

A few representations have been made that the quantity of kerosene oil now supplied to several districts in the State is not adequate. On enquiry, all the Deputy Commissioners of Districts except Shimoga District have reported that supplies of kerosene in their Districts are quite adequate and that there are no complaints from the public regarding distribution. The supply has exceeded the demand in many districts, notably in Kolar and Bangalore Districts.

In view of the short supplies in Shimoga District, all the three importing oil companies were requested to enhance the allotments to Shimoga District. Consequently, Burmah Shell Oil Co., have increased their quota to Shimoga District by nearly 30 per cent during the month of June 1949. Thus the total quantity supplied to Shimoga District during Jun was 22,328 gallons as against 18,936 gallons during Ma 1949. The Deputy Commissioner, Shimoga, has sinc reported that Burmah Shell Oil Company allotted a additional quota of 2,000 tins of kerosene for July 194 Further arrangements have also been made for supply of o from the enhanced supplies in Bangalore District to Publi Works Department, Industrial Concerns and Electrical Work at Jog to enable equitable distribution of the availabl supplies to the public at Shimoga. The supply position ha now considerably improved in Shimoga District.

In addition, the new importing Oil Companies, *viz.*, Con tinental Oil Co., Madras and Cities Service Oil Co., Ltd Delhi, have been requested to start their supplies primarily i Shimoga and Chickmagalur Districts immediately.

The Deputy Commissioners have also been requested t arrange distribution of kerosene oil through the newl started circle Multipurpose Societies on a proper and planne basis. It is hoped that these arrangements will afford grea relief and facilitate proper and fair distribution of kerosene o to the public.

INCREMENTS AND LEAVE WITH PAY TO TEMPORARY RAILWAY STAFF.

As a result of complaints that in certain departments o the Mysore State Railway, increments are not being grante to temporary employees though they have put in two to thre years of service, the General Manager, Mysore State Railwa has circularised all the heads of departments and othe officers who are competent to sanction increments, tha withholding of increments which are normally due, is no only repugnant to accepted principles of service but als highly improper giving cause, as it does, to legitimat grievances and avoidable complaints. All increments du to staff, including those who are temporary, who have earne the increment after completing the period of qualifyin service under the rules of the Mysore Service Regulations an other rules which may be in force from time to time, shall b sanctioned by the authority competent to do so with th greatest promptitude.

It may be noted that temporary employees in graded scal are also eligible for increments under Rules and this shoul be adhered to.

These directions do not, however, apply to cases o increments postponed as a mark of punishment under appro val of the competent authority.

It has also been circularised that the staff who are still o a temporary footing should not be refused leave with pay tha is due to them when admissible under the Rules in force subject of course to the exigencies of service.

Development of Agriculture in Mysore.

Dated 18th August 1949.

The 17th meeting of the Committee for Agriculture of the ysore Economic Conference was held on the 9th August 1949. *ajasevasakta* Sri A. K. Yegnanarayana Ayyar, M.A., N.D.D., hairman of the Committee presided.

Besides reviewing the progress of work in the various Post-ar Schemes in the Agricultural and allied Departments, the ommittee considered certain "Short Term Measures" for tepping up food production in Mysore.

The Committee resolved to recommend to Government—

(i) to take up large blocks of Government land for cultivation under Government Agency;

(ii) to bring under cultivation all cultivable 'fallow lands' especially wet lands under tanks and channels; and

(iii) for this purpose to give the assistance of military and also of prisoners in Jails in Agricultural operations in view of paucity of agricultural labour in the State; and

(iv) to accord permission to import agricultural labour from neighbouring Provinces, if necessary, and utilising to the best advantage the tractor service in the State.

The Committee also considered the feasibility of introducing legislation to compel raiyats not to allow agricultural lands to remain fallow and to pay more attention to the intensive cultivation of food crops by making available to them their requirements of seeds, manure, agricultural implements. etc. The Committee was not in favour of introducing compulsion over such a wide field, but in view of the urgency, resolved to resort to compulsion only in respect of bringing fallow land into cultivation and that too temporarily for a period of three years.

The Committee resolved to recommend to Government to nominate two members of this Committee to serve on the All-India Malnad Development Committee.

Press Note.

Dated 18th August 1949.

The Government of India have observed that restrictions ave been imposed at present by certain Provinces on the ovement of buscuits outside those provinces while in other rovinces there are no such restrictions. This anamolous osition is working to the disadvantage of the biscuit anufacturers where restrictions are in force. Further, there re no restrictions on the movement of imported biscuits to ny part of India from the port of Importation. The allocaion of flour to the biscuit industry is made by the Central overnment with a view to biscuits manufactured in one egion being made available to other regions of the Country s far as possible, especially in view of the present shortage f food products. In the circumstances and as desired by the overnment of India, the Government of Mysore have xempted 'biscuits' from the operation of the Foodgrains Export Control Order, 1948 and allowed free export of the ame.

Press Note.

Dated 16th August 1949.

There have been some alarming reports in the press about the destruction of wheat crops in Chitaldrug District. In order to clear misapprehensions in the minds of the public, the following facts are given for general information.

It is no doubt true that the destruction of the standing wheat crop in this district had to be ordered. Action was taken under the notification issued on 4th November 1948, at the instance of the Government of India, and which has already received wide publicity. The Assistant Mycologist from the Government of India toured in the three districts of Chitaldrug, Hassan and Chikmagalur during the the third week of last month and has reported that the wheat being grown in some of the villages was in contravention of this Government Notification. A particular type of disease called wheat rust has affected these crops and unless the crop is destroyed immediately, there is imminent danger of the disease spreading to other parts of India, thus destroying wheat crops elsewhere. As this crop was raised in contravention of the Notification dated 4th November 1948, it had to be destroyed; and as already stated earlier, this was in pursuance of the instructions of the Government of India in the matter and in order to check the spread of the disease to other parts of the country. The Plant Protection Adviser to the Government of India has also been kept informed of the position.
